

## Ensure Accuracy and Potentially Saves Lives.

---

**Now more than ever, hospitals need reliable printing solutions.**

Hospitals and clinics are under pressure to perform under extreme conditions. The CL-S521 is a high quality and durably build barcode printer for healthcare uses. The CL-S521 can help you identify, track and manage your patients as they seek treatment – from admission to discharge. The CT-S521 prints standard and pediatric wristbands, patient record labels, prescription, radiology, and much more, all with hospital budgets in mind.

**For more information on specifications or to request a sample unit, contact us at [info@citizen-systems.com](mailto:info@citizen-systems.com)**

Citizen now offers certified Citizen wristbands for use in the CT-S521.
