

Meet the Receipt Printer that Performs Above and Below.

With the **CT-S751** you don't have to give up valuable counter space for the receipt printer. Designed to fit under the counter, this unit not only saves space, but also allows for easy access and fast media loading with its front opening mechanism. In addition, the CT-S751 seamlessly integrates into your existing point of sale software with ultra-easy installation.

Space savings, ease of integration, and built to endure years in operation. The CT-S751 brings modern design and reliability to your next application.

- Boutique/ Retail
- Hospitality
- Restaurant and Bar
