

Small Patients. Big Priority.

All patients, both adult and infant, require identification that can withstand the many uses in a hospital environment.

Media specified and designed for various hospital departments, including labor and delivery.

- Matched identification with parents
- Identification must withstand hot and cold uses
- Comply with regulatory HIPPA guidelines
- Adult and Pediatric wristbands available

CL-E300 Unique design, small footprint, suitable for low to mid volume printing.

CL-S521 Direct thermal, mid-volume desktop printing, Hi-Open™ case for ease-of-use and media loading.

Citizen is dedicated to supporting the efforts of containing and defeating the COVID-19 outbreak. A portion of our printer sales will be directly donated to the CDC Foundations Research and Support Fund.
