

## Stack It!

---

Citizen understands the need for functional design. A two-printer stackable solution enhances productivity while keeping your premium counter space open for other uses. Coffee shops, retailers, and casual dining love the additional counter space for merchandising and promotions. Stackable solutions are also perfect for take-out and drive-thru.

### **Stackable Printers:**

The CT-S751 is fast, reliable, and designed to fit under-counter, over-counter, or stacked with your choice of a CT-E651 or CT-E351. Experience top of the line printing and Citizen quality, all in a modern, space-saving design.

For more information on this stackable solution, contact us at [info@citizen-systems.com](mailto:info@citizen-systems.com).
